Pemberton Engineering Ltd. — Strategic Procurement

Pemberton Engineering Ltd. Procurement & Supply Chain Unit
14, Trafford Park Industrial Estate Manchester M17 1RH, United Kingdom

Our ref: PEL/PROC/2026-RFQ-073

Date: 11 May 2026

To: Stanford Industrial Supply Co. **Attention:** Bid Desk **By email:**
bids@stanfordindustrial.example

Dear Sirs,

Request for Quotation — Indirect MRO and Industrial Consumables, 3-Year Framework

Pemberton Engineering Ltd. ("**Pemberton**") is conducting a competitive procurement exercise for the supply of indirect maintenance, repair and operations ("**MRO**") consumables and selected capital spares across our three UK manufacturing sites (Manchester, Sheffield, Bristol) and our two EU sites (Eindhoven NL, Lyon FR) for a three-year term commencing 1 January 2027 with an option to extend by mutual agreement for a further two years.

We are inviting Stanford Industrial Supply Co. ("**Bidder**") to submit a bid by **23:59 BST on Friday 19 June 2026**. Late submissions will not be considered.

1. Scope of the Arrangement

The successful Bidder will be appointed as one of up to two preferred suppliers under a non-exclusive framework for the categories set out in the Pricing Schedule (Document 03). Pemberton's indicative annual spend across the framework is **£18.4 million** (group total, prior twelve months). Pemberton does not commit to a minimum volume.

2. Documents in this Pack

#	Document	Filename
1	This invitation letter	01-rfq-invitation-letter.pdf
2	Draft Master Supply Agreement	02-master-supply-agreement.docx
3	Pricing Schedule	03-pricing-schedule.docx
4	Service Level Agreement	04-service-level-agreement.pdf
5	Pemberton General Terms and Conditions of Purchase	05-general-terms-conditions.pdf
6	Compliance and ESG Annex	06-compliance-annex.pdf
7	RFP Questionnaire (to be completed and returned)	07-rfp-questionnaire.docx

Bidders are required to mark up the draft Master Supply Agreement (Document 02) and return a redlined version with their bid response. **Submissions that do not include a redlined MSA will be deemed non-compliant.**

3. Scoring Methodology

Bids will be scored against the following weighted criteria:

- **Commercial (price and rebate structure)** — 45%
- **Service (OTIF, lead times, escalation)** — 25%
- **Compliance and ESG** — 15%
- **Contractual flexibility (extent of accepted MSA terms)** — 10%
- **Sustainability roadmap** — 5%

A score of less than 60% on Compliance and ESG, or material exceptions to the GTCs (Document 05) without robust alternative wording, will result in disqualification regardless of commercial position.

4. Order of Precedence

Where any conflict arises between the documents in this pack, the order of precedence shall be (i) these GTCs (Document 05), (ii) the MSA (Document 02), (iii) the SLA (Document 04), (iv) the Pricing Schedule (Document 03), and (v) any purchase order issued from time to time. The GTCs prevail in all cases.

5. Communications and Contact

All communications during the bid window must be routed through the procurement portal. Direct contact with operational stakeholders at any Pemberton site during the bid window is prohibited and will result in disqualification.

Single point of contact:

Priya Khatri, Senior Category Manager — Indirect & MRO
procurement-bids@pemberton-engineering.example

Clarification questions must be received by **5 June 2026**.
Responses will be circulated to all bidders simultaneously.

6. Confidentiality

This pack and its contents are confidential and provided under the terms of the mutual NDA executed between Pemberton and the Bidder dated 7 March 2026 (the “**NDA**”). The Bidder is reminded that the NDA continues to apply to all bid materials and to any information shared during the procurement exercise.

7. No Commitment

For the avoidance of doubt, the issuance of this RFQ does not commit Pemberton to award the framework or to proceed with any particular Bidder. All costs incurred by the Bidder in preparing its response are borne by the Bidder.

We look forward to receiving your response.

Yours faithfully,

Priya Khatri Senior Category Manager — Indirect & MRO
Pemberton Engineering Ltd.
